

# HAND DRIVEN CENTRIFUGE 4 TUBES

**PROMOTION !!**

**RM 25.00 / SET**

**A-CEN0120**

Hand operated with metal head. Powdered paint, die cast aluminum body, removable crank handle and fixing clamp of maximum capacity 50mm approximately. The apparatus may be set up and restored with ease and rapidly by virtue of the simple pin connection for the head and crank. Assembled dimensions 240x190x85mm. Complete with buckets (and cups) for 15cm<sup>3</sup> tubes. Imported from India.
